CLUB '70

1. Toy Blitz - Beer Bash:

The Club's Toy Blitz is set for this coming Saturday night, November 28th. Admission to the Club will be 75¢ AND A TOY or children's game. A liquor permit has been obtained and bottled beer will be served. Club doors open at 8:00 p.m.

2. Play, "Boys in the Band:"

Club '70 is considering the possibility of staging the popular play "Boys in the Band." To get an idea as to how many are interested in participating, we are attaching a leaflet to this copy of The Inside Track which we would like completed and returned to us on or before December 3rd. (Please see the attachment, its self-explanatory.

3. Club Post Office Box:

Because of the changing personnel of the Board and also because members of the Board have been moving around the City a bit, it has been found necessary to obtain a post office box for mail to the Club as well as mail being returned to the Club. From an administrative point of view this should work out considerably better than it has in the past. All correspondence with the Board should from now on be addressed to:

The Secretary
Club '70
P. O. Box 1671
Main Post Office
EDMONTON, Alberta

4. Resignation From Board of Directors:

The Board regrets to advise members that Mr. Gary VanKoughnett has resigned from the Board of Directors of Club '70.

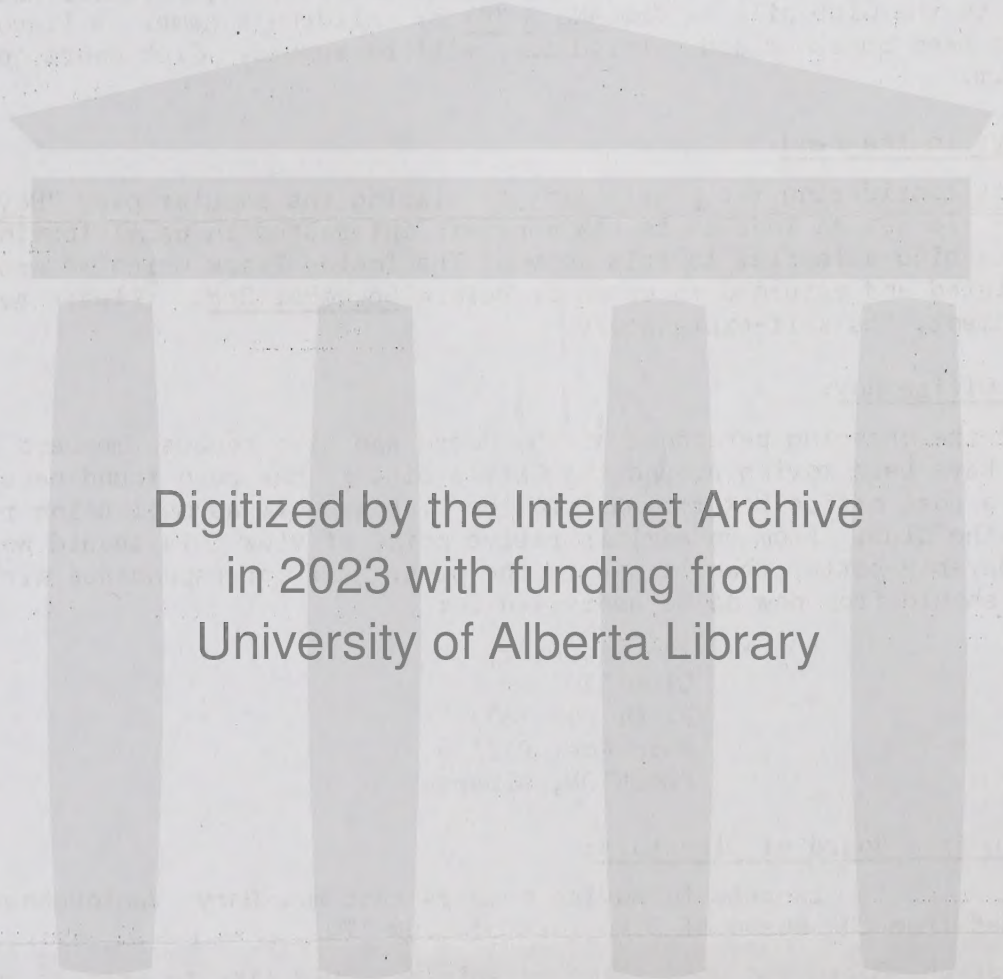

On behalf of the Board and general membership we would like to express our thanks to Gary for the hours he has devoted to the Club's general welfare and also to wish him luck and success in his new undertaking in Calgary.

5. Appointment to Board of Directors:

The Board is pleased, however, to announce that Mr. Gordon Adam has accepted the appointment as Director to replace Gary for the balance of the 1970 operating year.

I might add here that at the first Board Meeting Gordon attended, he was unanimously chosen as Chairman of the Striking Committee. Working with Gordon on the Committee are Miss Jerry Michaels and Mr. James Marten.

No doubt that within the next few weeks members will become better acquainted with Gordon and his Committee as he solicits your help in drawing up a list of candidates for the 1971 Board of Directors.

6. New Year's Ball:

During the Hang-Over Breakfast following Halloween Fantasia, the Presidents of Club Carousel and Club '70 discussed the feasibility of holding a joint New Year's Ball.

Our Board of Directors were receptive to the idea. However, one very important factor could disrupt the whole thing - namely the unpredictable weather in this country; and in the event of a heavy snow fall or blizzard, would we be able to get home.

After a fair amount of discussion, it was decided that perhaps each Club should hold its own affair and that a letter be sent to the President of Club Carousel thanking him for the suggestion and indicating that Club '70 would be pleased to hold a combined Club operation when the weather is more predictable.

Therefore, arrangements are underway to hold a New Year's Ball at the Club; details of which will be included in the next edition of The Inside Track.

Accompanying the New Year's Ball will be a short show of approximately 20 minutes duration. Anyone wishing to participate in it is asked to contact Grindl.

7. Ventilation of Club Premises:

At the time of this writing, instructions have been given to a City firm to proceed with installing a simplified ventilating system. The system has been approved by Edmonton City Hall and permission has been obtained from the owner of the building.

8. Food Hamper Drive:

The Food Hamper Drive is lousy to say the least in view of the numbers of people that turn out on weekends. Thank God I'm not dependent upon it!

However, for the benefit of those that may on occasion (?) forget to bring something, a sealed can has been placed on the counter of the ticket box for donations. This money will be used to round out the hamper(s) with meat and fresh vegetables just before Christmas.

And, for the benefit of members who do not come to the Club too often but would still like to contribute something, just advise the Club by either dropping a line to The Secretary or telephoning the Club on a weekend and we will make arrangements to swing by your home and pick up either your donation or food staples.

9. Memberships:

The Club has 212 members.

10. Amendments to Club By-Laws:

Members are herewith notified that any proposed amendments, deletions, or additions to the present By-Laws of the Club should reach the Secretary

not later than December 1, 1970. The Secretary requires time to prepare material for mailing to members.

By-Law No. 16 reads:

The By-Laws may be rescinded, altered or added to by an extraordinary resolution passed by a majority of not less than three-fourths of such members entitled to vote as are present in person at a general meeting of which thirty days notice in writing specifying the intention to propose the resolution as an extra-ordinary resolution has been duly given.

It would be helpful if members would also submit along with their proposal(s) a short outline of the reasons for making a proposal(s) and, allow members time to give each proposal sufficient study before having to vote on the proposal.

Material regarding the above should be mailed to: The Secretary, Club '70, P. O. Box 1671, Main Post Office, Edmonton.

Not later than September 1, 1970. The Secretary requests time to prepare material for mailing to members.

Byline to be signed

The By-Laws may be restricted, altered or added to by an extraordinary resolution passed by a majority of not less than two-thirds of the members entitled to vote at the time of the meeting. In addition to the of which thirty days notice in writing specifying the resolution to be passed the resolution as an extraordinary resolution has been duly given.

It should be pointed out that the members who are entitled to vote with their proposal at a meeting of the Association for the purpose of amending the By-Laws shall be given at least thirty days notice in writing before the meeting to vote on the proposal.

Reference regarding the above should be given to the Secretary, Club 10, P.O. Box 107, Main Post Office, Edmonton.

PLAY PRESENTATION

Club '70 is considering the possibility of performing the popular play "Boys in the Band."

In order to procede further with this idea, it is necessary to determine if there is sufficient interest and talent among Club '70 members to do the play. If we receive enough replies of interest then we will notify these people and arrange a "reading" or "try-out." At this time it will be determined if we have enough people and talent to adequately handle all roles. Yes, the idea sounds great. True, it would be fun...but, do you know what this would require of you, if you are interested in trying out? It means first of all a complete re-scheduling of your activities for approximately six weeks (yes, 6 weeks). Acting in a play, doing a job that you can be proud of, would demand this length of rehearsals which include: 5 rehearsals per week - each lasting approximately three hours. Do you have this amount of time to devote yourself to this type of discipline? If you do, then we are interested in you.

Please return this form to Mr. Tex Detroit, c/o Club '70, P. O. Box 1671, Main Post Office, Edmonton, not later than December 2.
